Subject: Comments - Order Varying Telecom Decision CRTC 2006-15

Mr. St-Aubin,

Please find attached the Quebec Coalition of Internet Service Providers (QCISP) comments on the proposed Order Varying Telecom Decision CRTC 2006-15. The QCISP wishes to thank Industry Canada for the opportunity to provide these comments.

Our purpose is to encourage Industry Canada to clarify its proposed order Varying Telecom Decision 2006-15.

The clarification sought by the QCISP is for Industry Canada to identify more precisely the relief afforded by premature forbearance if prices indeed not fall as anticipated in the proposed Order.

We thank you in advance for the attention you will give to the QCISP comments.

Yours truly,

Sophie Léger
QCISP Spokesperson
