Dear Mr. St-Aubin:

Re: DGRB-010-07 – Consultation on Proposed Conditions of Licence to Mandate
Roaming and Antenna Tower and Site Sharing and to Prohibit Exclusive Site
Arrangements

1. Attached are the comments of Saskatchewan Telecommunications, (“SaskTel”) In response to the Canada Gazette notice in the above referenced consultation. SaskTel is pleased to provide these comments regarding the Mandated Roaming and Mandated Antenna Tower and Site Sharing conditions of licence. SaskTel thanks the Department for this opportunity to provide comments and input into the consultation process.
2. In addition, SaskTel notes the request from Bell Mobility, supported by Rogers Communications Inc. and TELUS, that a Reply round be added to the consultation process. SaskTel feels that the issues being discussed in this proceeding are significant enough to justify such a change to the process and wishes to add its support to Bell Mobility’s request.

Sincerely,
