Subject: **Gazette Notice DGRB-002-09 – Consultation on the Renewal of Cellular and Personal Communications Services (PCS) Spectrum Licences**

Dear Mr. Hill,

Lynx Mobility Inc. on behalf of itself, Naskapi Imuun and Omniglobe Networks is pleased to submit its reply to submissions by other parties regarding ***Gazette Notice DGRB-002-09 – Consultation on the Renewal of Cellular and Personal Communications Services (PCS) Spectrum Licences.***

As a company committed to bringing wireless service to tens of communities across Northern Canada, our ability to operate successfully is highly dependent on timely access to spectrum. We are therefore very grateful for the opportunity to share our views on this most important issue and trust that they will be given serious consideration to the benefit of northern Canadians.

Sincerely,

A handwritten signature in blue ink, appearing to read "Benoit Fleury".
