Trademark Description

The trademark is two-dimensional

Colour Claim

Colour is claimed as a feature of the trade-mark. The colours white, purple, pink, red, orange, yellow, green, blue, gold and black are claimed as features of the trademark. The background of the label is white. The word 'miracle' is pink. In the word 'coconut', the first letters 'co' are pink, the second 'c' is red, the second 'o' is orange on the left transitioning to yellow on the right, the letter 'n' is yellow on the left transitioning to green on the right, the letter 'u' is green on the left transitioning to blue on the right and the letter 't' is blue. In the word 'oil', the letter 'o' is blue, the letter 'i' is blue on the top transitioning to purple on the bottom and the letter 'l' is purple. The letters 'ogx' are primarily black but a green swish extends across the 'g' and the 'x', forming part of the 'x'. The words 'beauty pure and simple' are black. The letters 'ogx' and the words 'beauty pure and simple' appear on a gold background. The gold background is approximately trapezoidal in shape. The top and bottom lines of the trapezoid are parallel to each other but the left and right lines of the trapezoid curve inwardly in a downward direction. Two orange leaf designs appear on the gold background, one on each side of the composite of 'ogx' and 'beauty pure and simple'. The red outline does not form part of the trademark but only serves to show the shape of the label.
