2019-10-09 — Vol. 66 No. 3389

# Trademarks Journal

## Vol. 66 No. 3389

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

### Goods

#### Class 01

- (1) Artificial sweeteners.
- (2) Chemicals for use in sugar manufacturing and processing.

#### Class 05

(3) Artificial sweeteners for diabetic and dietetic use for medical purposes; natural sweeteners for diabetic or dietetic use for medical purposes; sweetening preparations, namely, a blend of sugar and one or more artificial sweetener for diabetic or dietetic use for medical purposes; Processed grains for food, namely baby food.

#### Class 09

(4) Scientific, optical, weighing and measuring apparatus and instruments for sugar refining, namely, conductivity meter, refractometer, moisture balance, pH meter, online brix meter, polarimeter, slurry mill, spectrophotometer, nutsch filter; apparatus and instruments for weighing, measuring, analysing and monitoring solutions, suspensions and solids, all containing sugar, namely, conductivity meter, refractometer, moisture balance, pH meter, online brix meter, polarimeter, slurry mill, spectrophotometer, nutsch filter; apparatus and instruments for weighing, measuring, analysing and monitoring solutions, suspensions and solids, all for use in sugar refining, namely, conductivity meter, refractometer, moisture balance, pH meter, online brix meter, polarimeter, slurry mill, spectrophotometer, nutsch filter; laboratory glassware; microscopes.

#### Class 29

- (5) Milk based drinks; milk based drinks containing syrups; milk and milk products.
- (6) Non-dairy creamer.

#### Class 30

(7) Sugar, sugar substitutes, natural sweeteners, confectioners sugar, brown sugar and brown free-flowing sugar, fondant sugar, hard sugar, liquid sugar, sugar and sugar substitute for use as a food flavor and texture modifier, molasses and molasses granules, honey, honey granules, invert sugar, invert sugar syrups, sugar syrups, glucose syrups for culinary purposes, table syrup, golden syrup,

maple syrup, food products containing syrups, namely, dessert sauce toppings consisting of chocolate sauce, rice, tapioca; malt for food purposes, namely malt extract for food, malt for human consumption, malt used as food flavouring.; Artificial sweetening compositions and agents, namely, sugar substitutes.

(8) Fructose syrups; treacle tart, ice cream, ice milk, frozen yogurt; treacle; iced confectionery.

### **Class 31**

(9) Foodstuffs of agricultural, horticultural and forestry origin, namely, molasses and sugar for use in animal feed; fresh fruits and vegetables; foodstuffs for animals, namely dog food, cat food, bird food, fish food, cattle and pig feed.

### **Class 32**

(10) Syrups and powders used in the preparation of soft drinks.

(11) Concentrates used in the preparation of soft drinks, sports and energy drinks, fruit-flavored beverages and tea-flavored beverages; golden syrup for making beverages; golden syrup for making alcoholic and non-alcoholic beverages; non-alcoholic brewed malt beverages; malt based preparations namely malt extracts and malt for making alcoholic and non-alcoholic beverages.

### **Services**

#### **Class 35**

(1) Business consultation services in the field of sugar production; procurement services, namely, purchasing sugar for others, purchasing chemicals for processing sugar for others, and business management of sugar procurement services for others; procurement, namely, purchasing sugar for others; economic consultation in the field of sugar production, sugar processing, plant construction and design and the supervision thereof, sugar refining, sugar marketing and sugar distribution to the sugar industry; advisory services relating to the business management of sugar production, processing, procurement, and refining; providing economic analysis information in relation to the production, processing, procurement, and refining of sugar namely the provision of reports and the provision of said information via on-line database and via the internet.

#### **Class 36**

(2) Brokerage in the field of sugar; procurement services, namely financial management of sugar procurement services for others.

(3) Sugar trading services.

#### **Class 42**

(4) Technological consultation in the field of sugar production, sugar processing, plant construction and design and the supervision thereof, sugar refining, sugar marketing and sugar distribution to the sugar industry; scientific research in the fields of sugar production, processing, procurement, and refining.

(5) Engineering services in the field of agriculture, engineering services in the field of sugar production, sugar processing, plant construction and design and the supervision thereof, sugar refining, sugar marketing and sugar distribution to the sugar industry, namely chemical engineering, mechanical engineering, civil engineering drawing services; research in the fields of sugar production, procurement, processing, and refining; computerised food analysis services; industrial process and new product research in the fields of sugar production, processing, procurement, and refining, namely chemical, physical, electrical or mechanical processes; quality control relating to the hygiene of food and foodstuffs; advisory services relating to national and international regulations concerning food safety.

### Goods

#### Class 01

(1) Unprocessed synthetic and natural polymers, namely polymer beads for use in the manufacturing industries; plasticizers for polymers; unprocessed polymer resins; chemical compounds for repairing pneumatic tires and inner tubes; adhesive materials made of rubber and sealants for repairing pneumatic tires and inner tubes; antifreeze; chemical preparations in the form of pellets, powders and composite materials made of ceramic for the additive manufacture of pneumatic tires.

#### Class 03

(2) Windshield washer fluid; cleaning, polishing, scouring and abrasive preparations, namely laundry detergents, detergents for household use, detergents for automobiles, dish detergents; soaps, namely industrial soaps, soap powder, hand soaps, skin soaps, laundry soaps, soaps for household use; degreasing preparations.

#### Class 04

(3) Lubricants for machines, industrial lubricants, automotive lubricants, all-purpose lubricants; industrial lubricating oils; greases for pneumatic tires.

#### Class 05

(4) Air deodorizers, deodorizers for automobiles, deodorizing room sprays, deodorizers for garbage disposals, deodorizers for clothing; first aid kits (stocked).

#### Class 06

(5) Unwrought or semi-wrought common metals and their alloys; non-electric metal cables and wires; steel balls; nails, studs and screws of metal; air bottles made of metal for inflating pneumatic tires; fastening bolts made of metal for wheels; common metals and their alloys in the form of powders and granules for additive manufacturing.

#### **Class 07**

(6) Machine tools for the automotive industry, machine tools for removing waste material, for forming rubber, rubber mixing machines, machines for moulding plastics, automatic tire installation and removal machines, die-cutting machines, power-operated tire installation and removal machines; couplings for machines, hydraulic couplings as machine parts, transmission belts for machines; belts for conveyors; vibration-dampening rubber mounts for machines; stationary or mobile motors and engines for machines; electric generators containing fuel cells; high pressure washers; tire installation and removal apparatus; hydraulic jacks, rack and pinion jacks and hydraulic cylinders, power jacks, power-operated jacks, pneumatic jacks; air pumps and their accessories, namely compressed air pumps; connectors for inflating pneumatic tires (machine parts); dust collectors; paint guns; air compressors; machines for additive manufacturing, namely 3D printers.

#### **Class 08**

(7) Hand tools; hand implements (hand-operated), namely hand-operated sharpening instruments; cutlery; side arms, namely daggers, knife sets, swords; scrapers for vehicle windows; shovels; chain breakers; screwdrivers; multifunction hand tools; jacks [hand-operated] and lifting jacks [hand-operated]; tire irons for tire installation and removal; crank shafts (tools).

#### **Class 09**

(8) Pneumatic tire deflation alarm devices, namely tire pressure detection and warning devices; electronic systems for monitoring pneumatic tires, providing information about the operational settings of vehicle pneumatic tires; fuel cells; fuel cell systems and components for electric, fixed or portable generators; apparatus for recharging electric accumulators for vehicles, namely charging stations for electric vehicles; electric current rectifiers; electrical converters, voltage inverters and regulators for vehicles; database interrogation programs and software; media for the processing and storing of information and data for computers and computer peripherals, namely USB keys, computer printers, scanners; computer software and applications for mobile devices, namely downloadable applications for handheld computers, mobile telephones and electronic tablets, for downloading and dissemination purposes; computer software, computer databases and hardware for the management of vehicles, trailers and pneumatic tires; interactive social software enabling information to be exchanged between users, in regard to navigation, meteorology, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; global positioning systems (GPS) devices, namely global positioning system (GPS) consisting of computers, computer software, transmitters, receivers and network interface devices; downloadable computer software and applications for mobile devices enabling the online calculation and planning of routes, the planning of itineraries that can be followed by vehicles of all kinds and by foot; downloadable computer software and applications for mobile devices enabling the management of information related to tourism, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; downloadable computer software and applications for mobile devices enabling the provision of information and advice related to tourism, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas, vehicle maintenance and repair centres; downloadable computer software and applications for mobile devices for systems providing online assistance in the preparation and planning of travel, travel itineraries and sightseeing; computer software for

development of software applications; electronic databases containing information related to road itineraries, transport and traffic, travel, tourism, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; computer programs for accessing, navigating and searching in online databases; computer software for the design, creation, publishing and hosting of websites; database server centres containing information related to traffic, transport, travel, tourism and restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; downloadable electronic publications available online through databases in relation to road itineraries, transport and traffic, travel, tourism, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; books, magazines, periodicals, newsletters, newspapers, journals, newsletters; booster cables; tire pressure controllers; fire protective clothing; ear plugs for divers; safety gloves for protection against accidents and injuries; vehicle breakdown warning triangles; protective helmets, reflective bands for clothing, diving masks, eyeglasses and sunglasses (optical); personal planners and personal digital assistants, cameras, video game programs, namely computer software for creating computer games, interactive multimedia computer game programs; calculators; mouse pads; USB keys; mice; apparatus for measuring alcohol levels, namely blood alcohol content meters; printer.

#### **Class 10**

(9) Plugs (swabs) for ear protection.

#### **Class 11**

(10) Lighting apparatus and instruments, namely light bulbs, diffusers, projectors and light globes; electric blankets other than for medical use; defrosters for vehicles; air deodorizing apparatus, namely dispensing machines for air deodorizers; thermally insulated cabinets or any other thermally insulated container, namely refrigerated shipping containers; cooking and baking apparatus, namely electric cooktops, baking ovens, cooking grills; pressure tanks and apparatus for water supply, namely water dispensing machines; vehicle light bulbs, namely light bulbs for directional signals for vehicles, vehicle headlights.

#### **Class 12**

(11) Pneumatic tires for vehicle wheels; inner tubes for pneumatic tires; treads for tire retreading; tracks for tracked vehicles; suspension systems for motor vehicles, axles for land vehicles; springs, namely shock absorbing springs for vehicles, axle suspension springs, vehicle suspension springs, shock absorbers for automobiles; filtering blocks, anti-vibration mounts for car doors and cars, elastic crawlers for land vehicles; protective flaps for pneumatic tires; wheels, wheel holders, anti-skid studs and nails for pneumatic tires; adhesive rubber patches and tire patches for repairing inner tubes or tires; compressed air pumps; air pumps and their accessories, namely automobile air pumps, motorcycle air pumps, bicycle pumps; pneumatic tire valves; repair kits for pneumatic tires, namely equipment for repairing pneumatic tires, tire repair kits, materials for repairing flat tires; rims; anti-skid chains for pneumatic tires; mudguards; luggage racks for vehicles; child safety seats for vehicles; saddles for two-wheeled vehicles and tricycles; anti-theft devices for vehicles; saddlebags for two-wheeled vehicles and tricycles; strollers for children; pneumatic tire inflators; inflators (machines); wiper blades; bicycle carriers for automobiles; ski racks for automobiles; covers for pneumatic tires; covers for bicycles; wheel covers; handlebar grips for bikes; water bottle cages for bikes; plastic boxes sold empty for storing light bulbs for cars and trucks; tire inflators.

#### **Class 14**

(12) Works of art of precious metal; horological products and chronometric instruments, namely watches, clocks, stopwatches; jewellery products; jewellery items; key holders; cufflinks; tie pins and tie tacks; ornamental pins; badges of precious metal.

**Class 16**

(13) Paper; cardboard; printed matter; newspapers; flyers; brochures; magazines and periodicals; books; albums; road and travel maps; tour and travel guides; bookbinding material; photographs; stationery; adhesive materials and stationery, namely adhesives for the office and home, adhesives for stationery; paintbrushes; typewriters and office requisites (other than furniture), namely document portfolios, staplers, elastics for the office; instructional and teaching materials (other than apparatus), namely manuals; pens; writing instruments; pen cases and pencil holders (not made of precious metals or plated therewith); business card and credit card holders made of plastic; pouches for road and travel maps and tour books; calendars; paperweights; notebooks, directory notebooks; personal planners; almanacs; posters; desk pads; notepads; bags made of plastic or paper for household use.

**Class 17**

(14) Elastomeric polymers, namely elastomeric polymers in the form of blocks and sheets for use in manufacture; semi-worked or raw natural and synthetic rubber; semi-finished plastic sheets for manufacture or industrial use, raw rubber in sheet form, raw rubber in tube form; raw rubber yarns and threads; gutta-percha; raw or semi-worked gum elastic, balata and substitutes; plastic sheets, slabs and rods (semi-finished products); packing materials; stopping and insulating materials, namely insulating coatings, rubber sheets for insulation; flexible pipes, tubes and hoses, not of metal, namely air hoses for pneumatic tools and rubber hoses.

**Class 18**

(15) Sunshades; umbrellas; travel kits (leatherwork), attaché cases for documents, leather briefcases, suitcases, travel bags, handbags, backpacks, shopping bags, camping bags, beach bags, mountaineering backpacks, garment bags for travel, business card holders, credit card cases; leather belts and imitation leather belts.

**Class 20**

(16) Goods made of wood, cork, reed, cane, wicker, horn, bone, ivory, shell, amber, wax, plaster, mother-of-pearl, meerscham and substitutes for all these materials, or of plastics, namely decorative mobiles, toy chests and boxes, plastic boxes, ivory statues; furniture, namely office furniture, bedroom furniture, lawn furniture, living room furniture, beds, tables, chairs; mirrors, picture frames; decorative plastic figurines; pillows, cushions, mattresses.

**Class 21**

(17) Glassware for household use, namely table glassware; porcelain and earthenware; tableware [dishes], namely coffee and tea sets; cutlery holders; cleaning brushes; bottle openers, cap openers; portable household containers, namely garbage containers; sports bottles sold empty, kitchen and household utensils and containers (non-electric and neither made of precious metals nor plated therewith), namely kitchen utensils, thermally insulated containers for food and beverages, bowls, salad bowls; non-electric portable coolers, dishes not made of precious metals, cooler bags.

**Class 24**

(18) Decorative textile items in the nature of pennants made of textile, crests, identification badges made of textile (wearable); tablecloths and napkins made of textile, travel rugs.

**Class 25**

(19) Clothing, namely sports clothing, underwear, windbreakers, track suits, raincoats, tank tops, parkas, ponchos, anoraks, fleeces, shirts, collared shirts, blouses, polo shirts, T-shirts, sweatshirts, pullovers, vests, pants, dresses, skirts, beach wraps, shorts, Bermuda shorts, bathing suits,

pajamas, costumes, namely Halloween costumes, masquerade costumes, bathing cap, jackets, suit jackets, blousons, blouses, aprons, belts (apparel), suspenders, gloves (apparel), cyclists' gloves, ties, scarves, bandanas, sashes, headbands (apparel), earmuffs, hats, berets, bonnets, shawls, caps, visors, socks, ankle socks, work coveralls; boots, ankle boots, sandals, dress shoes and sports shoes, soft slippers and shoes.

**Class 26**

(20) Badges not made of precious metals, namely embroidered badges, heat-sealed badges.

**Class 27**

(21) Carpets, floor mats, and mats made of rubber for vehicles; doormats.

**Class 28**

(22) Games, toys and playthings and sporting articles (except clothing), namely chess sets, skill games, checker sets, dice games, card games, memory games, word games, board games, dolls, toy cars, construction toys, educational toys, mechanical toys, inflatable toys, plush toys, sports balls, exercise balls, exercise benches, trampolines, exercise weights; playing cards; decorations for Christmas trees, except candles and sweets; snow globes; billiard table cushions; tennis racquets, badminton racquets, squash racquets, table tennis paddles; balls and shuttlecocks, namely tennis balls, table tennis balls and squash balls, badminton shuttlecocks; scale model vehicles.

**Class 34**

(23) Non-electric lighters, ashtrays (not made of precious metals or plated therewith), matches.

**Services****Class 35**

(1) Advertising, namely advertising services for the goods and services of others; mail advertising, namely advertising services for the goods and services of others; business management; business administration; office functions, namely secretarial and clerical services; distribution of advertising materials for others; newspaper subscription services (for others); subscription to telecommunication services for others, namely subscription to electronic newspapers, to a television channel; business organization and management advice; business organization and management consulting for the dissemination of advertisements, namely consulting related to the conduct of business, consulting in the field of business marketing and management, consulting related to social media marketing strategy; organization and conduct of business operations for promotional and advertising purposes aimed at fostering customer loyalty, namely promotion of the sale of goods and services through promotional contests; organization and conduct of market studies; services for the entry, processing, collection, compilation and systematization, in computer databases, of information and data related to the management of vehicles and pneumatic tires, vehicle locating and road itineraries; computerized business information research and retrieval services, namely collection of market research information, online provision of business information directories on the Internet; provision of business information and consulting related to tire selection and driving techniques and practices; business information and consulting related to pneumatic tire management, namely selection, maintenance, repair, retreading, replacement, and pressure of vehicle fleet tires; organization and management of motor vehicle driving demonstrations (with various driving, road and tire conditions) for commercial purposes; retail and wholesale of vehicle tires, inner tubes, pneumatic tire valves and vehicle parts; online retail and wholesale of vehicle tires, inner tubes, pneumatic tire valves and vehicle parts; public relations services for foundations and other establishments dedicated to industrial research, training and education, social and humanitarian action, health, culture, heritage preservation, environmental

protection, sports; consulting and advisory services related to administration, strategy, organization and businesses and personnel management; consulting, administrative information related to employment development and professional and social insertion; organization of exhibitions for commercial and advertising purposes in the fields of hospitality, tires, transport; coaching and follow-up services related to job searches and professional and social insertion (employment counselling); consulting related to the organizational management of additive manufacturing machine installation projects, namely consulting in developing and coordinating the installation of 3D printers for the additive manufacture of tires; database and computer file management; online advertising of the goods and services of others on a computer network; rental of advertising time; publication of advertising copy; rental of advertising space for additive manufacturing; retail of spare parts used in nuclear reactors, train carriages, airplanes, 3D printers in the fields of nuclear energy, aeronautics, trains, automobiles, medicine and dentistry, made using additive manufacturing.

### **Class 36**

(2) Insurance; insurance for compensating for the residual value of tires in the event of replacement, for handling costs associated with tires or vehicles, hotel accommodation or repatriation in case of breakdown; capital investments; financial sponsoring and patronage of hockey tournaments; charity fundraising; fundraising, collection and distribution of donations for non-profit organizations and associations; financing of studies and projects in the fields of education, social and humanitarian action, health, culture, heritage preservation, environmental protection, sports; financial support for industrial research, training and education, social and humanitarian action, health, culture, heritage preservation, environmental protection, sports, namely funding of industrial activities, funding of projects, venture capital funding services for universities; assistance services for the promotion of adult education (funding), namely granting of scholarships.

### **Class 37**

(3) Installation, maintenance, inflation, repair, assembly, disassembly, retreading, regrooving, and replacement of pneumatic tires, inner tubes or wheels of vehicles and trailers; tire balancing services; repair and maintenance services for vehicles, vehicle parts, accessories; cleaning and washing of vehicles, pneumatic tires and/or vehicle wheels; road assistance in the event of vehicle breakdown related to pneumatic tires (repair); information and consulting services related to vehicle repair or maintenance; services related to the inspection of vehicles prior to maintenance and repair; organization of the installation, maintenance, repair and replacement of pneumatic tires and vehicle parts; installation, maintenance, assembly, disassembly and repair of additive manufacturing machines; services for the repatriation of people and the return of vehicles (in the event of breakdown) by all means, namely roadside assistance.

### **Class 38**

(4) Provision of online forums; provision of access and rental of access to databases related to road itineraries, transport and traffic, travel, tourism and gastronomy through electronic transmission; services for the transmission of data related to business and road itineraries, namely provision of information related to road itineraries; provision of multiple-user access to global computer information networks for the transfer and dissemination of a wide range of information related to road itineraries, transport and traffic, travel, tourism and gastronomy.

### **Class 39**

(5) Assistance services in case of vehicle failure (towing); services for the repatriation of people and the return of vehicles (in the event of breakdown) by all means, namely emergency motor vehicle towing, cable-car transport, transport of passengers by train, truck, airplane, boat; storage

of pneumatic tires and/or vehicle wheels; satellite vehicle tracking services; information services related to locating vehicles and trailers; transport of passengers and goods by train, truck, airplane, boat; transport information, namely provision of road and traffic information and information related to road itineraries; transport logistics services, namely supply chain logistics and reverse logistics services for the transport of goods for others by airplane, train, boat or truck; transport of goods by boat, truck, rail vehicle, train and airplane; delivery of pneumatic tires, vehicle wheels, and parts and constituent parts for vehicles; arranging of travel tours through the online transmission of road itineraries accessible via the Internet; provision of information related to geography, maps, roads, navigation, traffic, road itineraries, transport, traffic, travel and landmarks via the Internet and electronic telecommunications networks; vehicle locating and navigation services via computer by means of global positioning systems (GPS); consulting and information services related to transport by road, air, water and rail; information and consulting related to tourism, road itineraries, transport and traffic, travel; transport of materials in the context of humanitarian aid, solidarity actions, namely transport of goods by airplane, truck, helicopter, train and boat; provision of computer data and information related to road itineraries, transport and traffic, travel, tourism (travel).

#### **Class 40**

(6) Waste recycling; information related to waste treatment; manufacture of materials, namely production of powders and pellets for the additive manufacture of tires; mass production of objects and spare parts thereof in the fields of nuclear energy, aeronautics, trains, automobiles, medicine and dentistry, produced through additive manufacturing (for others); recycling of plastic, glass, paper, rubber for use in additive manufacturing; treatment of materials for the manufacture of ceramic and metal goods.

#### **Class 41**

(7) Organization and hosting of events related to tire use and automobile driving instruction, namely organization and hosting of automobile races; organization and management of motor vehicle driving demonstrations in various driving, road and tire conditions; organization of vehicle races; organization and conduct of contests in the field of vehicle tires; technical training services regarding the pneumatic tire business; training services in the field of pneumatic tire repair and replacement; training services in the use of machines for the installation, removal, repair and inflation of pneumatic tires; training services related to business franchise management; education and training related to driving safety; entertainment consisting of appearances by sports or cultural celebrities, music concerts, automobile races, laser shows, entertainment in the form of live performances by musical groups; sporting and cultural activities, namely organization and production of hockey, basketball, baseball, football games, production of plays and operas; information related to entertainment or education, namely provision of automobile race information through an interactive website; ticket agency and reservation services for events; publishing of books; organization of beauty pageants, spelling bees, spelling competitions, math competitions; organization and conduct of colloquia in the fields of automobile driving and tire use, seminars in the fields of automobile driving and tire use, conferences in the fields of automobile driving and tire use, and/or conventions in the fields of automobile driving and tire use; organization of art exhibitions for cultural or educational purposes; publishing (including electronic publishing services) of newspapers, magazines, books, journals, brochures, guides and maps; organization and conduct of training workshops and internships, namely sports training clinics, driver safety training and courses; provision of downloadable and non-downloadable publications, namely publishing of electronic publications; assistance services for facilitating adult education (training),

namely education courses at the high school and college levels; training in the field of the heat treatment of plastic and rubber and in the field of additive manufacturing; training related to the operation of additive manufacturing machines.

#### **Class 42**

(8) Technical information and consulting related to pneumatic tire management, namely the selection, maintenance, repair, retreading, replacement and pressure of the tires of a vehicle fleet; expert services related to the selection, condition, maintenance and/or repair of pneumatic tires, vehicles parts and accessories; provision of technical information and consulting related to vehicle and trailer locating; pneumatic tire and inner tube testing and quality control services; design of commercial space for the pneumatic tire trade; development, design, maintenance, publishing and provision of computer software, mobile applications, databases and websites; provision of Internet search engines enabling information to be obtained in regard to selecting tires in accordance with one's vehicle and in the field of automobile driving; evaluations and estimates in the fields of science and technology, performed by engineers; scientific and technological research; research and development of new products for others; technical project studies in the field of tires, in the field of 3D printing; department for research, expertise, design and development assistance in the construction of additive manufacturing machines, objects and spare parts to be produced by means of additive manufacturing; design, development and installation of computer software; feasibility studies and research related to waste treatment. .

#### **Class 43**

(9) Information and consulting services related to tourism (restaurants and accommodations), cooking, gastronomy, food services and hospitality, foodstuffs and alcoholic and non-alcoholic beverages; hotel and restaurant reservation services; provision of information and consulting, namely hotel information, provision of information related to hotels, provision of information about wine, restaurant and bar information services, information services related to accommodations in the field of travel, operation of a computer database providing cooking information, dissemination of information about restaurant services.

#### **Class 44**

(10) Home assistance services for people, namely assistance in daily hygiene care; home assistance services in the nature of medical assistance, namely emergency medical assistance; medical assistance services for individuals in need, namely respite care services in the nature of nursing aid services.

#### **Class 45**

(11) Legal aid services related to company formation; coaching and follow-up services related to job searches and professional and social insertion; home assistance services for people, namely legal services relating to company formation and registration.

### Colour Claim

Colour is claimed as a feature of the trade-mark. The design consists of seven bar codes with the word BUSSOLA written under the seven bar codes. The word BUSSOLA appears in stylized lower case letters, with the letter 'o' replaced by a compass comprising a circular element and compass points set on a slight diagonal slant. Each bar code appears in the following colour in the following order from left to right: light blue, purple, pink, red, orange, yellow and green. Each letter in the word BUSSOLA appears in the following colour in the following order from left to right: light blue, purple, pink, red, orange (for the compass), yellow and green.

### Foreign Character Translation

The translation provided by the applicant of the Italian word Bussola is compass or bearing.

### Goods

#### Class 01

(1) Unprocessed synthetic and natural polymers, namely polymer beads for use in the manufacturing industries; plasticizers for polymers; unprocessed polymer resins; chemical compounds for repairing pneumatic tires and inner tubes; adhesive materials made of rubber and sealants for repairing pneumatic tires and inner tubes; antifreeze; chemical preparations in the form of pellets, powders and composite materials made of ceramic for the additive manufacture of pneumatic tires.

#### Class 03

(2) Windshield washer fluid; cleaning, polishing, scouring and abrasive preparations, namely laundry detergents, detergents for household use, detergents for automobiles, dish detergents; soaps, namely industrial soaps, soap powder, hand soaps, skin soaps, laundry soaps, soaps for household use; degreasing preparations.

#### Class 04

(3) Lubricants for machines, industrial lubricants, automotive lubricants, all-purpose lubricants; industrial lubricating oils; greases for pneumatic tires.

#### Class 05

(4) Air deodorizers, deodorizers for automobiles, deodorizing room sprays, deodorizers for garbage disposals, deodorizers for clothing; first aid kits (stocked).

**Class 06**

(5) Unwrought or semi-wrought common metals and their alloys; non-electric metal cables and wires; steel balls; nails, studs and screws of metal; air bottles made of metal for inflating pneumatic tires; fastening bolts made of metal for wheels; common metals and their alloys in the form of powders and granules for additive manufacturing.

**Class 07**

(6) Machine tools for the automotive industry, machine tools for removing waste material, for forming rubber, rubber mixing machines, machines for moulding plastics, automatic tire installation and removal machines, die-cutting machines, power-operated tire installation and removal machines; couplings for machines, hydraulic couplings as machine parts, transmission belts for machines; belts for conveyors; vibration-dampening rubber mounts for machines; stationary or mobile motors and engines for machines; electric generators containing fuel cells; high pressure washers; tire installation and removal apparatus; hydraulic jacks, rack and pinion jacks and hydraulic cylinders, power jacks, power-operated jacks, pneumatic jacks; air pumps and their accessories, namely compressed air pumps; connectors for inflating pneumatic tires (machine parts); dust collectors; paint guns; air compressors; machines for additive manufacturing, namely 3D printers.

**Class 08**

(7) Hand tools; hand implements (hand-operated), namely hand-operated sharpening instruments; cutlery; side arms, namely daggers, knife sets, swords; scrapers for vehicle windows; shovels; chain breakers; screwdrivers; multifunction hand tools; jacks [hand-operated] and lifting jacks [hand-operated]; tire irons for tire installation and removal; crank shafts (tools).

**Class 09**

(8) Pneumatic tire deflation alarm devices, namely tire pressure detection and warning devices; electronic systems for monitoring pneumatic tires, providing information about the operational settings of vehicle pneumatic tires; fuel cells; fuel cell systems and components for electric, fixed or portable generators; apparatus for recharging electric accumulators for vehicles, namely charging stations for electric vehicles; electric current rectifiers; electrical converters, voltage inverters and regulators for vehicles; database interrogation programs and software; media for the processing and storing of information and data for computers and computer peripherals, namely USB keys, computer printers, scanners; computer software and applications for mobile devices, namely downloadable applications for handheld computers, mobile telephones and electronic tablets, for downloading and dissemination purposes; computer software, computer databases and hardware for the management of vehicles, trailers and pneumatic tires; interactive social software enabling information to be exchanged between users, in regard to navigation, meteorology, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; global positioning systems (GPS) devices, namely global positioning system (GPS) consisting of computers, computer software, transmitters, receivers and network interface devices; downloadable computer software and applications for mobile devices enabling the online calculation and planning of routes, the planning of itineraries that can be followed by vehicles of all kinds and by foot; downloadable computer software and applications for mobile devices enabling the management of information related to tourism, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; downloadable computer software and applications for mobile devices enabling the provision of information and advice related to tourism, transport, traffic, travel, restaurants, service stations, parking facilities, rest areas, vehicle maintenance and repair centres; downloadable computer software and applications for mobile devices for systems providing online assistance in

the preparation and planning of travel, travel itineraries and sightseeing; computer software for development of software applications; electronic databases containing information related to road itineraries, transport and traffic, travel, tourism, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; computer programs for accessing, navigating and searching in online databases; computer software for the design, creation, publishing and hosting of websites; database server centres containing information related to traffic, transport, travel, tourism and restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; downloadable electronic publications available online through databases in relation to road itineraries, transport and traffic, travel, tourism, restaurants, service stations, parking facilities, rest areas and vehicle maintenance and repair centres; books, magazines, periodicals, newsletters, newspapers, journals, newsletters; booster cables; tire pressure controllers; fire protective clothing; ear plugs for divers; safety gloves for protection against accidents and injuries; vehicle breakdown warning triangles; protective helmets, reflective bands for clothing, diving masks, eyeglasses and sunglasses (optical); personal planners and personal digital assistants, cameras, video game programs, namely computer software for creating computer games, interactive multimedia computer game programs; calculators; mouse pads; USB keys; mice; apparatus for measuring alcohol levels, namely blood alcohol content meters; printer.

#### **Class 10**

(9) Plugs (swabs) for ear protection.

#### **Class 11**

(10) Lighting apparatus and instruments, namely light bulbs, diffusers, projectors and light globes; electric blankets other than for medical use; defrosters for vehicles; air deodorizing apparatus, namely dispensing machines for air deodorizers; thermally insulated cabinets or any other thermally insulated container, namely refrigerated shipping containers; cooking and baking apparatus, namely electric cooktops, baking ovens, cooking grills; pressure tanks and apparatus for water supply, namely water dispensing machines; vehicle light bulbs, namely light bulbs for directional signals for vehicles, vehicle headlights; plastic boxes for vehicle light bulbs [stocked].

#### **Class 12**

(11) Pneumatic tires for vehicle wheels; inner tubes for pneumatic tires; treads for tire retreading; tracks for tracked vehicles; suspension systems for motor vehicles, axles for land vehicles; springs, namely shock absorbing springs for vehicles, axle suspension springs, vehicle suspension springs, shock absorbers for automobiles; filtering blocks, anti-vibration mounts for car doors and cars, elastic crawlers for land vehicles; protective flaps for pneumatic tires; wheels, wheel holders, anti-skid studs and nails for pneumatic tires; adhesive rubber patches and tire patches for repairing inner tubes or tires; compressed air pumps; air pumps and their accessories, namely automobile air pumps, motorcycle air pumps, bicycle pumps; pneumatic tire valves; repair kits for pneumatic tires, namely equipment for repairing pneumatic tires, tire repair kits, materials for repairing flat tires; rims; anti-skid chains for pneumatic tires; mudguards; luggage racks for vehicles; child safety seats for vehicles; saddles for two-wheeled vehicles and tricycles; anti-theft devices for vehicles; saddlebags for two-wheeled vehicles and tricycles; strollers for children; pneumatic tire inflators; inflators (machines); wiper blades; bicycle carriers for automobiles; ski racks for automobiles; covers for pneumatic tires; covers for bicycles; wheel covers; handlebar grips for bikes; water bottle cages for bikes; plastic boxes sold empty for storing light bulbs for cars and trucks; tire inflators.

#### **Class 14**

(12) Works of art of precious metal; horological products and chronometric instruments, namely watches, clocks, stopwatches; jewellery products; jewellery items; key holders; cufflinks; tie pins and tie tacks; ornamental pins; badges of precious metal.

### **Class 16**

(13) Paper; cardboard; printed matter; newspapers; flyers; brochures; magazines and periodicals; books; albums; road and travel maps; tour and travel guides; bookbinding material; photographs; stationery; adhesive materials and stationery, namely adhesives for the office and home, adhesives for stationery; paintbrushes; typewriters and office requisites (other than furniture), namely document portfolios, staplers, elastics for the office; instructional and teaching materials (other than apparatus), namely manuals; pens; writing instruments; pen cases and pencil holders (not made of precious metals or plated therewith); business card and credit card holders made of plastic; pouches for road and travel maps and tour books; calendars; paperweights; notebooks, directory notebooks; personal planners; almanacs; posters; desk pads; notepads; bags made of plastic or paper for household use.

### **Class 17**

(14) Elastomeric polymers, namely elastomeric polymers in the form of blocks and sheets for use in manufacture; semi-worked or raw natural and synthetic rubber; semi-finished plastic sheets for manufacture or industrial use, raw rubber in sheet form, raw rubber in tube form; raw rubber yarns and threads; gutta-percha; raw or semi-worked gum elastic, balata and substitutes; plastic sheets, slabs and rods (semi-finished products); packing materials; stopping and insulating materials, namely insulating coatings, rubber sheets for insulation; flexible pipes, tubes and hoses, not of metal, namely air hoses for pneumatic tools and rubber hoses.

### **Class 18**

(15) Sunshades; umbrellas; travel kits (leatherwork), attaché cases for documents, leather briefcases, suitcases, travel bags, handbags, backpacks, shopping bags, camping bags, beach bags, mountaineering backpacks, garment bags for travel, business card holders, credit card cases; leather belts and imitation leather belts.

### **Class 20**

(16) Furniture, namely office furniture, bedroom furniture, lawn furniture, living room furniture, beds, tables, chairs; mirrors, picture frames; decorative plastic figurines; pillows, cushions, mattresses.

### **Class 21**

(17) Glassware for household use, namely table glassware; porcelain and earthenware; tableware [dishes], namely coffee and tea sets; cutlery holders; cleaning brushes; bottle openers, cap openers; portable household containers, namely garbage containers; sports bottles sold empty, kitchen and household utensils and containers (non-electric and neither made of precious metals nor plated therewith), namely kitchen utensils, thermally insulated containers for food and beverages, bowls, salad bowls; non-electric portable coolers, dishes not made of precious metals, cooler bags.

### **Class 24**

(18) Decorative textile items in the nature of pennants made of textile, crests, identification badges made of textile (wearable); tablecloths and napkins made of textile, travel rugs.

### **Class 25**

(19) Clothing, namely exercise wear, outdoor winter clothing, sleepwear, beachwear, rainwear, maternity wear, sportswear, casual wear, casual clothing, tennis wear, skiwear, pants, skirts,

dresses, pullovers, blouses; sports clothing, underwear, windbreakers, track suits, raincoats, tank tops, parkas, ponchos, anoraks, fleeces, shirts, collared shirts, blouses, polo shirts, T-shirts, sweatshirts, pullovers, vests, pants, dresses, skirts, beach wraps, shorts, Bermuda shorts, bathing suits, pajamas, costumes, namely Halloween costumes, masquerade costumes, bathing caps, jackets, blazers, blousons, blouses, aprons, belts (apparel), suspenders, gloves (apparel), cyclists' gloves, ties, scarves, bandanas, shoulder scarves, headbands (apparel), earmuffs, hats, berets, skull caps, shawls, caps, visors, socks, ankle socks, work coveralls; boots, ankle boots, sandals, dress shoes and sports shoes, soft slippers, and shoes.

#### **Class 26**

(20) Badges not made of precious metals, namely embroidered badges, heat-sealed badges.

#### **Class 27**

(21) Carpets, floor mats, and mats made of rubber for vehicles; doormats.

#### **Class 28**

(22) Games, toys and playthings and sporting articles (except clothing), namely chess sets, skill games, checker sets, dice games, card games, memory games, word games, board games, dolls, toy cars, construction toys, educational toys, mechanical toys, inflatable toys, plush toys, sports balls, exercise balls, exercise benches, trampolines, exercise weights; playing cards; decorations for Christmas trees, except candles and sweets; snow globes; billiard table cushions; tennis racquets, badminton racquets, squash racquets, table tennis paddles; balls and shuttlecocks, namely tennis balls, table tennis balls and squash balls, badminton shuttlecocks; scale model vehicles.

#### **Class 34**

(23) Non-electric lighters, ashtrays (not made of precious metals or plated therewith), matches.

### **Services**

#### **Class 35**

(1) Advertising, namely advertising services for the goods and services of others; mail advertising, namely advertising services for the goods and services of others; business management; business administration; office functions, namely secretarial and clerical services; distribution of advertising materials for others; newspaper subscription services (for others); subscription to telecommunication services for others, namely subscription to electronic newspapers, to a television channel; business organization and management advice; business organization and management consulting for the dissemination of advertisements, namely consulting related to the conduct of business, consulting in the field of business marketing and management, consulting related to social media marketing strategy; organization and conduct of business operations for promotional and advertising purposes aimed at fostering customer loyalty, namely promotion of the sale of goods and services through promotional contests; organization and conduct of market studies; services for the entry, processing, collection, compilation and systematization, in computer databases, of information and data related to the management of vehicles and pneumatic tires, vehicle locating and road itineraries; computerized business information research and retrieval services, namely collection of market research information, online provision of business information directories on the Internet; provision of business information and consulting related to tire selection and driving techniques and practices; business information and consulting related to pneumatic tire management, namely selection, maintenance, repair, retreading, replacement, and pressure of vehicle fleet tires; organization and management of motor vehicle driving demonstrations (with various driving, road and tire conditions) for commercial purposes; retail and wholesale of vehicle tires, inner tubes, pneumatic tire valves and vehicle parts; online retail and

wholesale of vehicle tires, inner tubes, pneumatic tire valves and vehicle parts; public relations services for foundations and other establishments dedicated to industrial research, training and education, social and humanitarian action, health, culture, heritage preservation, environmental protection, sports; consulting and advisory services related to administration, strategy, organization and businesses and personnel management; consulting, administrative information related to employment development and professional and social insertion; organization of exhibitions for commercial and advertising purposes in the fields of hospitality, tires, transport; coaching and follow-up services related to job searches and professional and social insertion (employment counselling); consulting related to the organizational management of additive manufacturing machine installation projects, namely consulting in developing and coordinating the installation of 3D printers for the additive manufacture of tires; database and computer file management; online advertising of the goods and services of others on a computer network; rental of advertising time; publication of advertising copy; rental of advertising space for additive manufacturing; retail of spare parts used in nuclear reactors, train carriages, airplanes, 3D printers in the fields of nuclear energy, aeronautics, trains, automobiles, medicine and dentistry, made using additive manufacturing.

### **Class 36**

(2) Insurance; insurance for compensating for the residual value of tires in the event of replacement, for handling costs associated with tires or vehicles, hotel accommodation or repatriation in case of breakdown; capital investments; financial sponsoring and patronage of hockey tournaments; charity fundraising; fundraising, collection and distribution of donations for non-profit organizations and associations; financing of studies and projects in the fields of education, social and humanitarian action, health, culture, heritage preservation, environmental protection, sports; financial support for industrial research, training and education, social and humanitarian action, health, culture, heritage preservation, environmental protection, sports, namely funding of industrial activities, funding of projects, venture capital funding services for universities; assistance services for the promotion of adult education (funding), namely granting of scholarships.

### **Class 37**

(3) Installation, maintenance, inflation, repair, assembly, disassembly, retreading, regrooving, and replacement of pneumatic tires, inner tubes or wheels of vehicles and trailers; tire balancing services; repair and maintenance services for vehicles, vehicle parts, accessories; cleaning and washing of vehicles, pneumatic tires and/or vehicle wheels; road assistance in the event of vehicle breakdown related to pneumatic tires (repair); information and consulting services related to vehicle repair or maintenance; services related to the inspection of vehicles prior to maintenance and repair; organization of the installation, maintenance, repair and replacement of pneumatic tires and vehicle parts; installation, maintenance, assembly, disassembly and repair of additive manufacturing machines; services for the repatriation of people and the return of vehicles (in the event of breakdown) by all means, namely roadside assistance.

### **Class 38**

(4) Provision of online forums; provision of access and rental of access to databases related to road itineraries, transport and traffic, travel, tourism and gastronomy through electronic transmission; transmission of data related to business and road itineraries, namely provision of information related to road itineraries.

### **Class 39**

(5) Assistance services in case of vehicle failure (towing); services for the repatriation of people and the return of vehicles (in the event of breakdown) by all means, namely emergency motor

vehicle towing, cable-car transport, transport of passengers by train, truck, airplane, boat; storage of pneumatic tires and/or vehicle wheels; satellite vehicle tracking services; information services related to locating vehicles and trailers; transport of passengers and goods by train, truck, airplane, boat; transport information, namely provision of road and traffic information and information related to road itineraries; transport logistics services, namely supply chain logistics and reverse logistics services for the transport of goods for others by airplane, train, boat or truck; transport of goods by boat, truck, rail vehicle, train and airplane; delivery of pneumatic tires, vehicle wheels, and parts and constituent parts for vehicles; arranging of travel tours through the online transmission of road itineraries accessible via the Internet; provision of information related to geography, maps, roads, navigation, traffic, road itineraries, transport, traffic, travel and landmarks via the Internet and electronic telecommunications networks; vehicle locating and navigation services via computer by means of global positioning systems (GPS); consulting and information services related to transport by road, air, water and rail; information and consulting related to tourism, road itineraries, transport and traffic, travel; transport of materials in the context of humanitarian aid, solidarity actions, namely transport of goods by airplane, truck, helicopter, train and boat; provision of computer data and information related to road itineraries, transport and traffic, travel, tourism (travel).

#### **Class 40**

(6) Waste recycling; information related to waste treatment; manufacture of materials, namely production of powders and pellets for the additive manufacture of tires; mass production of spare parts and objects in the fields of nuclear energy, aeronautics, trains, automobiles, medicine and dentistry, produced through additive manufacturing (for others); recycling of plastic, glass, paper, rubber for use in additive manufacturing; treatment of materials for the manufacture of ceramic and metal goods.

#### **Class 41**

(7) Organization and hosting of events related to tire use and automobile driving instruction, namely organization and hosting of automobile races; organization and management of motor vehicle driving demonstrations in various driving, road and tire conditions; organization of vehicle races; organization and conduct of contests in the field of vehicle tires; technical training services regarding the pneumatic tire business; training services in the field of pneumatic tire repair and replacement; training services in the use of machines for the installation, removal, repair and inflation of pneumatic tires; training services related to business franchise management; education and training related to driving safety; entertainment consisting of appearances by sports or cultural celebrities, music concerts, automobile races, laser shows, entertainment in the form of live performances by musical groups; sporting and cultural activities, namely organization and production of hockey, basketball, baseball, football games, production of plays and operas; information related to entertainment or education, namely provision of automobile race information through an interactive website; ticket agency and reservation services for events; publishing of books; organization of beauty pageants, spelling bees, spelling competitions, math competitions; organization and conduct of colloquia in the fields of automobile driving and tire use, seminars in the fields of automobile driving and tire use, conferences in the fields of automobile driving and tire use, and conventions in the fields of automobile driving and tire use; organization of art exhibitions for cultural or educational purposes; publishing (including electronic publishing services) of newspapers, magazines, books, journals, brochures, guides and maps; organization and conduct of training workshops and internships, namely sports training clinics, driver safety training and courses; provision of downloadable and/or non-downloadable publications, namely publishing of electronic publications; assistance services for facilitating adult education (training), namely education courses at the high school and college levels; training in the field of the heat treatment

of plastic and rubber and in the field of additive manufacturing; training related to the operation of additive manufacturing machines.

#### **Class 42**

(8) Technical information and consulting related to pneumatic tire management, namely the selection, maintenance, repair, retreading, replacement and pressure of the tires of a vehicle fleet; expert services related to the selection, condition, maintenance and/or repair of pneumatic tires, vehicles parts and accessories; provision of technical information and consulting related to vehicle and trailer locating; pneumatic tire and inner tube testing and quality control services; design of commercial space for the pneumatic tire trade; development, design, maintenance, publishing and provision of computer software, mobile applications, databases and websites; provision of Internet search engines enabling information to be obtained in regard to selecting tires in accordance with one's vehicle and in the field of automobile driving; evaluations and estimates in the fields of science and technology, performed by engineers; scientific and technological research; research and development of new products for others; technical project studies in the field of tires, in the field of 3D printing; department for research, expertise, design and development assistance in the construction of additive manufacturing machines, objects and spare parts to be produced by means of additive manufacturing; design, development and installation of computer software; feasibility studies and research related to waste treatment. .

#### **Class 43**

(9) Information and consulting services related to tourism (restaurants and accommodations), cooking, gastronomy, food services and hospitality (foodstuffs and alcoholic and non-alcoholic beverages); hotel and restaurant reservation services; provision of information and consulting, namely hotel information, provision of information related to hotels, provision of information about wine, restaurant and bar information services, information services related to accommodations in the field of travel, operation of a computer database providing cooking information, dissemination of information about restaurant services.

#### **Class 44**

(10) Home assistance services for people, namely assistance in daily hygiene care; home assistance services in the nature of medical assistance, namely emergency medical assistance; medical assistance services for individuals in need, namely respite care services in the nature of nursing aid services.

#### **Class 45**

(11) Legal aid services related to company formation; domestic assistance services for people, namely legal services related to formation and registration.

Application Number 925,851

**PROHIBITED MARK DETAILS****MD ANDERSON**

The Registrar hereby gives public notice under subparagraph 9(1)(n)(ii) of the Trademarks Act, of the adoption and use by THE BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM of the badge, crest, emblem or mark shown here.

Application Number 925,217

## PROHIBITED MARK DETAILS

The Registrar hereby gives public notice under subparagraph 9(1)(n)(iii) of the Trademarks Act, of the adoption and use in Canada by Government of the Northwest Territories of the mark shown here, as an official mark for goods and services.

### Description

Colour forms an element of the mark. The mark consists of a curve in motion design. The bottom of the curve is separated into six colour segments. From the bottom left to the bottom right, the colours appear as follows: dark blue, blue with a tint of grey ("blue-grey"), blue, white, green and brown. The top of the curve is separated into seven colour segments. From the top left to the top right, the colours appear as follows: blue-grey, blue, purple, pink, white, yellow and blue. At the far left side of the curve, the colour grey appears between the two blue-grey (top and bottom) segments. At the far right side of the curve, the colour grey appears between the brown (bottom) and blue (top) segments.
