Trade-marks Journal

Vol. 66 No. 3351

General Information

The *Trade-marks Journal* is published every week in compliance with [Rule 15 of the Trade-marks Regulations](#). The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (<http://cipo.gc.ca>). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see [section 38 of the *Trade-marks Act*](#) for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Colour Claim

Colour is claimed as a feature of the trademark. The mark consists of various pentagons, rhombuses, parallelograms and triangles in different shadings of the colour Green - PANTONE PMS368C. Specifically, the two pentagons at the top right-hand corner and top left-hand corner of

the mark (also forming the two ends of the letter V) are in 20% shading of PANTONE PMS368C. The two rhombuses immediately below the two pentagons (also forming part of the sides of the letter V) are in 10% shading of PANTONE PMS368C. The two rhombuses immediately below (also forming part of the sides of the letter V) are in 20% shading of PANTONE PMS368C. The triangle forming the bottom of the letter V is in 5% shading of PANTONE PMS368C. The large upside-down triangle forming the top and middle of the mark contains three rhombuses and three triangles. The three small triangles from left to right are 100% shading of PANTONE PMS368C, 50% shading of PANTONE PMS368C and 100% shading of PANTONE PMS368C, respectively. The two rhombuses immediately below the three small triangles are in 75% shading of PANTONE PMS368C. The rhombus immediately below and forming the tip of the large upside-down triangle is in 100% shading of PANTONE PMS368C. The two right-angled triangles forming the bottom right and bottom left of the mark show two shadings of PANTONE PMS368C. Specifically, the two smaller triangles that form the bottom of the right-angled triangles, as well as the two smallest triangles found on the right middle border and left middle border of the mark are in 100% shading of PANTONE PMS368C. The two parallelograms are in 75% shading of PANTONE PMS368C. PANTONE is a registered trademark.

Colour Claim

Colour is claimed as a feature of the trade-mark. The colors yellow, black, white, red, gray and silver are claimed as a feature of the mark. The mark consists of a serrated black circle, with a red inner circle and a gray honeycomb design contained within the red circle. Positioned at the top of

the black circle is the term 'AIRAID' in black capitalized letters that are outlined in white, located in the middle of a solid yellow oval that is positioned under a silver open oval that casts a shadow over the yellow oval. Positioned over the middle of the black circle is the phrase 'NO-HASSLE', and below is the word 'LIFETIME', all of which are in yellow block letters, with 'LIFETIME' extending beyond the outer edge of the black circle. Positioned at the bottom of the black circle is the word 'LIMITED', with the word 'WARRANTY' appearing below and in an arcuate shape, both of which are in block white letters.
