Trademarks Journal

2020-07-22 — Vol. 67 No. 3430

Trademarks Journal

Vol. 67 No. 3430

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Class 03

(1) screen cleaners, namely disposable wipes for cleaning screens of mobile phones, tablet computers, computers and cameras

Class 08

(2) hand tools for electronic device repair, namely, opening picks for electronic devices, spudgers, tweezers, screwdriver bits in the nature of cross-shaped tip bits, flathead bits, star bits, star security bits, pentalobe bits, JIS bits, hex bits, tri-point bits, tri-wing bits, nut driver bits, square bits, gamebits, spanner bits, triangle bits, and bits for ejecting SIM cards, fastening and joining tools in the nature of bit drivers, bit holders, screwdrivers, hand tools, namely clamps and hammers, hand tools for cutting, drilling, grinding, sharpening and treating surfaces, socket wrenches, non-electric miniature screwdrivers, precision screwdrivers, and screwdrivers, tap wrenches, flexible head spanners, mallets, electric irons, wire cutters, flush cutters, cutting wheels, flush micro cutters, flush macro cutters, utility knives, scissors, and razor blades, glass scrapers, crimping tools in the nature of crimping pliers, pincers, grippers, namely tweezers, headphone plug extractors, combination pliers, locking pliers, claws, pliers and hand-operated locking clamp tools, picks for

isolating batteries, opening wheels for use in separating screens from mobile phones and tablet computers, driver handles for bits and nuts; hand tool kits for electronic device repair, specifically, tool kits comprised of two or more opening picks for electronic devices, spudgers, tool rolls in the nature of roll-up fabric containers for hand tools, anti-static wrist straps to protect against electrostatic discharge, suction cups for separating components, specifically, glass and gloss plastic, tweezers, magnetic pads for organizing small parts, screwdriver bits in the nature of cross-shaped tip bits, flathead bits, star bits, star security bits, pentalobe bits, JIS bits, hex bits, tri-point bits, tri-wing bits, nut driver bits, square bits, gamebits, spanner bits, triangle bits, and bits for ejecting SIM cards, metal measuring rulers, fastening and joining tools in the nature of soldering irons, bit drivers, bit holders, screwdrivers, hand tools, namely clamps and hammers, hand tools for cutting, drilling, grinding, sharpening and treating surfaces, socket wrenches, non-electric miniature screwdrivers, precision screwdrivers, and screwdrivers, tap wrenches, flexible head spanners, mallets, soldering irons, sealing irons, adhesive-melting and electric irons, wire cutters, flush cutters, cutting wheels for cutting foam, plastic and metals, flush micro cutters, flush macro cutters, utility knives, scissors, and razor blades, glass scrapers, crimping tools in the nature of crimping pliers, pincers, grippers, combination pliers, locking pliers, claws pliers and locking clamps, work mats, namely, magnetic mats and non-slip mats for work surfaces, electrostatic discharge-safe tools in the nature of antistatic mats, wrist straps, and heating tools for loosening adhesive, shaping components, electronics rework, removing and installing electronics components, and soldering, namely soldering irons and heat guns

Class 09

(3) measuring rulers, anti-static products, namely, plastic trays, mats and wrist straps for grounding purposes, batteries for cellphones, tablets and laptops, electric cables, electric and electronic components for holding parts for mobile phones and tablet computers namely audio boards, cables, connectors, headphone Jacks, keyboards, logic boards, screens, speakers, trackpads, USB boards, USB jacks, SIM card trays, dock connectors, linear oscillator motors, lens, expansion ports, remote controls; battery adapters for mobile phones and tablet computers, mobile telephone batteries, electrical circuits and circuit boards, integrated circuit chips, electrical circuit boards, integrated electrical circuits, connection cables for mobile phones and tablet computers, battery leads for mobile phones and tablet computers, cable connectors, light emitting diodes, electronic semiconductors, electronic publications recorded on computer media namely guides in the field of do-it-yourself repair, disassembly and reassembly of mobile phones, tablet computers and laptop computers and parts replacement and upgrades, instruction manuals in electronic format, computer documentation in electronic form, namely repair guides and technical guides for repair and maintenance of computers, tablet computers, mobile phones, vehicles, game consoles and cameras

Class 11

(4) microwave heating pads not for medical purposes

Class 16

(5) adhesive labels, adhesives for stationery and household use, advertisement boards of paper or cardboard, bottle wrappers of paper, boxes of paper or cardboard, containers of cardboard for packaging, drawing boards, labels of paper or cardboard, manuals, handbooks, notebooks, paper carton sealing tape, posters, shipping cartons, shipping labels, stickers, magnetic desk and table top mats for organizing replacement parts for cellphone, tablet and computer repair, printed matter, namely, paper signs, books, manuals, curricula, newsletters, informational cards and brochures in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment,

sporting goods, automobiles, home fixtures, appliances, clothing, and textiles, books, booklets, textbooks, reference books, photographs (printed), flyers, journals, catalogues, calendars, periodicals, paper bags, plastic bags, pouches of paper, cardboard or plastic, for packaging, wrapping and storage purposes

Class 17

(6) synthetic foam supports for electronic equipment components

Class 18

(7) messenger bags

Class 20

(8) plastic suction cups for securing mobile phones and tablet computers and parts therefore

Class 21

(9) screen cleaning cloths and bottle openers

Class 25

(10) shirts and jackets

Services**Class 35**

(1) online retail store services featuring computers, computer peripherals and computer accessories, namely, notebook computers, laptop computers, computer peripheral devices, upgrades, and replacement parts therefor, namely, electric cables and connectors, AC adapters, cleaning kits, computer cases, DC and sound cards, display screens, hinges, expansion bay drives, fans, hard and optical drives, keyboards, logic boards, modems, PC cards, power cards, processors, RAM, tools, all for use with the above computer hardware and computer peripherals, online retail store services featuring easy-to-use electronic repair and instruction manuals, all for use in do-it-yourself disassembly and reassembly of computer parts replacement and upgrades, commercial trading and consumer information services, namely gross-sale, wholesale, retail sale, Internet sale and mail order retail services, featuring clothing accessories namely lapel pins and iron-on patches; product demonstrations and product display services for others in the field of electronics repair; online advertisements for others, consultancy and information services for consumers in the field of customer service, advice and information about product management and product pricing on websites for online shopping, sales promotion for others, advertising and marketing for others through online websites, retailing and wholesaling, including via the internet, in the fields of computer hardware, computer software, computer peripheral devices, hand tools for electronic device repair, telephones, DIY articles, items of metal hardware, namely screws brackets, clips, electric goods, namely electric cables and connectors, AC adapters and electronic goods, namely parts for mobile phones, tablet computers, computers and game consoles, data carriers, clothing, books

Class 41

(2) publishing goods and audiovisual recordings, namely electronic repair and instruction manuals and videos, all for use in do-it-yourself disassembly and reassembly of laptop computer parts replacement and upgrades; publishing and reporting, namely videotaping and production of training videos in the fields of education, entertainment and sports; rental of video and digital audio recordings downloaded via the Internet containing presentations for entertainment purposes in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer and parts replacement and upgrades, special effects animation services for film and

video, production of training films, production of cinematographic films, production of films for educational purposes, videotape film production and rental, production of video and sound recordings, rental of pre-recorded films, rental of recorded educational videos; services for the showing of video recordings, namely providing information via a website featuring video presentations in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer and parts replacement and upgrades; Providing information via a website featuring a compilation of programs in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer and parts replacement and upgrades; education, education and teaching, training and further training consultancy, training consultancy all in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer parts replacement and upgrades, provided online via a computer database or the internet; practical training demonstrations, demonstration (for instructional purposes), providing computer assisted courses of instruction all in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer and parts replacement and upgrades; computer education training, retail staff training services for others; correspondence courses, namely provision of education on-line from a computer database and or via the internet and extranets all in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer and parts replacement and upgrades; arranging of courses of instruction, provision of training courses, conducting of audiovisual presentations for entertainment purposes all in the field of do-it-yourself disassembly and reassembly of mobile phones, tablet computers and laptop computer parts replacement and upgrade; provision of online entertainment in the form of non-downloadable videos in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; providing of electronic publications online in the nature of guides in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; publication of electronic books and journals on-line; arranging and conducting of conferences, exhibitions and competitions in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; interactive entertainment services, namely live presentations in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; photography services namely photographic and video services, namely photographic and video capture, photographic computer imaging, photographic composition for others, photographic restoration, photographic printing, photographic reproduction and photographic retouching; entertainment provided via the internet, namely providing electronic games and video game competitions provided by means of the internet, advisory services namely publishing of electronic publications; providing searchable publications on a global computer network or and the internet in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; providing electronic publications (nondownloadable) in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles; publication of electronic books and periodicals online, editorial consultation, provision of translation services;

preparing audio-visual presentations

Class 42

(3) rental of computer software; designing, managing and monitoring online forums for discussion in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles, providing online support for computer program users, namely troubleshooting computer software problems; design services, namely design and testing of new products for others; design, testing, and authentication of new products for others and quality control of new products for others in the field of computer software; product development services, computer software design, computer hardware development, development, programming and implementation of software; IT consultancy in the field of computer hardware and software; provision of advisory and information services in the field of do-it-yourself repair and maintenance of computers, phones, game consoles, tablets, computer peripherals, cameras, media players, home theater equipment, audio equipment, sporting goods, automobiles, home fixtures, appliances, clothing, and textiles, development of computer software, for others, design of software, design, maintenance, rental and updating of computer software, computer programming, installation, updating and maintenance of computer software, technological consultancy in the field of computer programs, cloud computing provider services for general storage of data; application service providers, namely hosting of computer software applications, for others, server hosting, computer consultancy and advisory services; rental of computer hardware and computer software, technical support services in the form of troubleshooting of computer software problems, technical testing services in the field of computer hardware and software, technical research in the field of computers

Design

Visual Representation

Colour Claim

Colour is claimed as a feature of the mark. The word MONTALVA is in white and the background of the mark in red. The colour red fades to a lighter shade of red around the tree design. The tree is brown. In the middle and at the top of the design there is a square in green and red divided by a yellow line. The left part of the square is green and the right part of the square is red. The yellow line grows brighter in the centre of the line. The border of the design is solid yellow at the top and the bottom but on the sides of the drawing, the yellow fades to white from top to bottom. There is a stroked line under the square starting above the letter "M" and ending above the letter "V". The line is brown and is thicker at the point under the square and then tapers to a thinner line at each side of the square.

Goods

Class 29

(1) Meat, fish, poultry and game; meat extracts; preserved, frozen, and dried fruits and vegetables; compotes, namely jellies and jams, eggs; milk, milk products namely yogurt, chocolate milk, frozen milk confectionery; edible oils and fats

Trademark Types

Design
Position

Visual Representation

Trademark Description

The trademark consists of the position of the terms ABSOLUT EXTRAKT and the position of a label on the bottle, as shown in the visual representation. The label is located at the center of the bottle with the letter 'X' over it. On the label, is a rectangular shaped outline, which contains the following words, from top to bottom: "EXTRAKT NO.1 A SHOT INFUSED WITH POTENT SPICE EXTRACTS A recipe based on ancient Swedish traditions, infusions of green cardamom and now blend with vodka in an uncharted universe. Prepared in the old village of Ahus, the home of Absolut Vodka. Inspired by the heritage of our legendary founding father L.O. Smith and his nose for discovery. An unexpected warm spiced mixture, extracted from our legacy. [CARDAMOM] DIRECTIONS: BEST SERVED CHILLED IN A SHOT OF GLASS ". The words ABSOLUT EXTRAKT are located above the label. The bottle and the seal appearing in dotted outline do not form a part of the trademark but are included merely to show the positioning of the sign.

Colour Claim

Colour is claimed as a feature of the trade-mark. The terms ABSOLUT EXTRAKT and the label below are white. The X on the label is green. The rectangle and the writings on the label are black. The line on the upper right side of the X and the indication [CARDAMOM] are pink

Goods**Class 33**

Alcoholic beverages namely vodka and vodka-based beverages

Position

Visual Representation

Trademark Description

The trademark consists of the position of the following elements appearing on a three-dimensional configuration of a bottle and its cap, from top to bottom: on the neck of the bottle, in front, is a small diagonal band in the nature of a ribbon, higher on the left than the right, with the ends of the band curling, and the word "MUMM" is in vertical black letters; at the upper center of the front of the bottle there is the design of an eagle with a crown and outspread wings perched on a branch, below that is a prominent diagonal band in the nature of a ribbon that extends diagonally, higher on the left and lower on the right from one side, across the entire front of the bottle, and onto the other side, and the words "G.H. MUMM". The bottle in three-dimension appearing in dotted lines in the drawings does not form part of the mark but is included merely to show the position of a sign.
