## Vol. 66 No. 3387

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

### Colour Claim

Colour is claimed as a feature of the trade-mark. The circles, horizontal lines, and the three terms in the mark are in a solid dark blue color against a white background. The checkmark in the mark is a solid green color and also against a white background.

### Certification Mark Standard

The certification mark, as used by persons authorized by the applicant, certifies that the persons providing the services in association with the certification mark have completed a hands-on classroom training course, comprising at least 16 hours of classroom training at a regional training centre, relating to hardwood floor installation, sanding and finishing, and obtained a passing grade of at least 80 per cent in written tests and hands-on tests on the skills and knowledge relating to hardwood floor installation, sanding and finishing. Each person authorized by the applicant to use the certification mark also has/carries commercial liability insurance, and has a minimum three years of relevant experience as each trainee must have at least three years of prior sanding and refinishing experience in order to participate in the training program. The applicant has granted a license to licensees to use the certification mark in association with all the specific services listed herein that meet the defined standard, and the certification mark has been used by the licensees in Canada accordingly in association with such services. The certification mark has been in use in

Canada as aforesaid in association with the general class of services comprising the following specific services: hardwood floor installation, sanding and finishing services, since at least as early as July 31, 2016. The applicant requests registration in respect of the specific services as aforesaid. The applicant is not engaged in the manufacture, sale, leasing or hiring of goods or the performance of services such as those listed in the application.
