2020-02-26 — Vol. 67 No. 3409

# Trademarks Journal

## Vol. 67 No. 3409

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

### Trademark Types

Design  
Position

### Visual Representation

### Trademark Description

The trademark consists of the position of the color green as applied to the whole visible surface of the threedimensional electrosurgical return electrode, as shown in the visual representation. The electrosurgical return electrode shown in dashed lines does not form part of the trademark but is included merely to show the positioning of the sign.

### Colour Claim

Colour is claimed as a feature of the trademark. The whole visible surface of the electrosurgical return electrode as shown in the drawing is green, with the exception of the triangular shape with a curved hypotenuse in the bottom left-hand corner of the electrode inside which is the word MEGADYNE, and, in the middle of the top portion of the electrode, the word "MEGA" and the number "2000" with a parallelogram outline around the number "2000".

### Goods

#### Class 10

Electrosurgical patient return electrodes.

### **Visual Representation**

The word "Anvil" is rendered in a bold, dark green, serif typeface. The letters are thick and closely spaced, with a classic serif design. The 'A' is particularly prominent, with a wide base and a pointed top. The 'i' has a distinct dot, and the 'l' is a simple vertical stroke. The overall appearance is that of a strong, industrial brand mark.

### **Colour Claim**

Colour is claimed as a feature of the trademark. The word ANVIL is in green.
