EXTENSION OF TIME REQUEST BASED ON EXCEPTIONAL CIRCUMSTANCES

This is in response to the office action dated May 25, 2022 for which a response is due November 25, 2022.

We request a 6-month extension of time, based on exceptional circumstances, until May 25, 2023, within which to file a response to the office action.

The Examiner raised a substantive objection under paragraph 37(1)(d) of the Trademarks Act. As responding to the objection could lead to a refusal of the application, the Applicant requires more time to consider the objection and file a proper response.

We submit that the extension of time request is justifiable and that the reasons for the extension amount to exceptional circumstances that would justify an extension of time.

We look forward to receiving confirmation that the extension of time has been granted.

Should you have any questions regarding this matter, please contact the undersigned at 416-862-4634.

Yours very truly,
