AMENDED APPLICATION FOR THE REGISTRATION OF A TRADEMARK

COVERING LETTER REMARKS

This is in response to the examiner's report of October 28, 2021. In response to the objection with respect to statement of services not being in specific and ordinary commercial terms, the applicant submits that the list of services should be accepted as stated. The list of services as stated in the application is sufficiently specific and in ordinary commercial terms and was already accepted by the United States Intellectual Property Office with no objections. In view of the foregoing the Applicant respectfully requests favourable reexamination.
