Subject: Subject:- Regarding excluding rdsp from bankruptcy

Hi,

It is our strong request that RDSP assets should be exempted from bankruptcy proposal and solvency as this is the only fund which can help in later stage of life. As a disabled person there is no income and whatever saving is there that is inform of this fund only so it is our humble request that this plan should be exempted from the bankruptcy and solvency proposal.

Sincerely,

Nishaben Patel

RDSP PLAN HOLDER.
