Information on Ownership as Requested in Section 6 of the Application Form

BC TEL Mobility Cellular Inc. (the "Company") provides information on ownership as requested in section 6 of the Application Form. The Company is 100% owned by BCT.TELUS Communications Inc. ("BCT.TELUS").

The authorized capital of BCT.TELUS consists of 4,000,000,000 shares divided into 1,000,000,000 Common Shares without par value, 1,000,000,000 Non-Voting Shares without par value, 1,000,000,000 First Preferred Shares without par value and 1,000,000,000 Second Preferred Shares without par value.

There are three categories of shareholders holding voting shares in BCT.TELUS: Anglo-Canadian Telephone Company ("ACTC"); shareholders holding through Canadian Depository for Securities ("CDS and Co."); and a broad base of individual shareholders.

ACTC is controlled by GTE Corporation and holds 26.68% of the voting shares of BCT.TELUS.

57.65% of the voting shares of BCT.TELUS are held by CDS and Co. Any voting shares represented by non-Canadian share certificates are not permitted to be held by CDS and Co. As of June 30, 1999, there were only three CDS participants that held 10% or greater of the CDS-held voting shares. These were RBC Dominion Securities Inc. (11,746,470 Common Shares), Bank of Montreal (13,398,589 Common Shares), and Royal Trust – Corp/Tor Co/Mtl (24,804,527 Common Shares).

The remaining 15.67% of the voting shares of BCT.TELUS are held by a broad base of shareholders. As of June 30, 1999, a review of these shareholders' addresses found on the Canadian and Non-Canadian Registers of holders of voting shares maintained by Montreal Trust Company of Canada (as the transfer agent and registrar of BCT.TELUS) reveals that only 1,598,940 voting shares (or 0.90% of the 177,494,285 issued and outstanding voting shares) are held by registered shareholders with addresses outside of Canada.

---

1 Further disaggregation of the beneficial ownership of the shares held by CDS and Co. is not currently available.
