Petition to Governor in Council pursuant to Section 12 of the *Telecommunications Act* re:
Telecom Order CRTC 2019-288

Dear Mr. Shugart,

Pursuant to Section 12(1) of the *Telecommunications Act*, Bragg Communications Incorporated (carrying on business as Eastlink), Cogeco Communications Inc., Rogers Communications Canada Inc., Shaw Communications Inc. and Videotron Ltd. (collectively, the “Cable Carriers”) hereby file the enclosed Petition to the Governor in Council concerning Telecom Order CRTC 2019-288: *Follow-up to Telecom Orders 2016-396 and 2016-448 – Final Rates for Aggregated Wholesale High-Speed Access Services*.

Please note that the Petition includes six appendices: a Report prepared by The Brattle Group and individual statements prepared by each of the five Cable Carriers.

In addition, we have inserted hyperlinks in a number of the footnotes of the Petition so that members of the Governor in Council and other readers can readily access the underlying source materials. Four of the documents cited in the footnotes of the Petition are not widely accessible on the internet, and for that reason we are providing electronic copies of those documents under cover of this letter.

We are in the process of preparing a French translation of the Petition, which we expect to deliver to the Governor in Council in short order.

Please do not hesitate to contact any of the Cable Carriers directly if you require additional information.
Respectfully submitted,

Natalie MacDonald
