**Consultation on a Policy and Technical Framework for the 700MHz Band  
and Aspects Related to Commercial Mobile Spectrum  
Canada Gazette – Part 1, Notice No. SMSE-018-10, November 30, 2010**

Barrett Xplore Inc. and Barrett Broadband Networks Inc. (collectively, "Barrett") are pleased to submit the attached comments concerning the consultation framework. The comments are in Adobe PDF format and compatible with Adobe Reader version 8 or later.

Barrett is requesting confidentiality for certain information being provided in Appendix A attached to these comments relating to future plans and opportunities for spectrum in rural areas. Disclosure of this information could reasonably be expected to prejudice the competitive position of Barrett since it could better position Barrett's competitors to gauge Barrett's capacity to respond to competition in the marketplace. This information is treated consistently in a confidential manner by Barrett.

As a result, Barrett has filed these comments in confidence with Industry Canada and is providing an abridged version without Appendix A that can be made public. If there are any questions concerning these comments, please do not hesitate to contact the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read "Allison Lenehan", with a long horizontal flourish extending to the right.
