Framework for the 700 MHz Band and Aspects Related to Commercial Mobile
Spectrum

Attached are the reply comments of Saskatchewan Telecommunications (SaskTel), in response to the *Canada Gazette* Part 1 notice regarding the above referenced consultation.

In addition, SaskTel is attaching a report recently released by SeaBoard group, which addresses many of the rural issues with which SaskTel is concerned.

SaskTel thanks the Department for this opportunity to provide comments and input into the consultation process.

Sincerely,
