# Trademarks Journal

## Vol. 67 No. 3420

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

### Certification Mark Standard

The certification mark is used by persons authorized by the trademark owner, in order to certify that the services provided by such authorized persons meet the standards, qualifications and testing requirements established by the trademark owner. Namely, the trademark owner provides individuals with a certificate that recognizes individuals entering the field of business analysis, and who have demonstrated competence in this field by passing a certificate examination which is set by the trademark owner. More particularly, the use of the certification mark is intended to indicate that the specific services listed above in association with which it is used are of the defined standard set out below, namely a) that the licensee has obtained 21 hours of professional development hours within the last 4 years in the field of business analysis in the form of classroom and online courses, webinars, conference track sessions, tutorials, keynotes and workshops, presentations, study groups, workshops, conference days and self-directed learning as approved by the trademark owner; b) that the licensee has logged his/her professional development hours and provided such log to the trademark owner; c) that the licensee agrees to adhere to the Code of Ethical Conduct and Professional Standards and the ethical responsibilities to the profession as defined by the trademark owner; d) that the licensee agrees to adhere to certain contractual Terms and Conditions defined by the trademark owner, which include the payment of a certification application fee and a certification examination fee; and e) that the licensee has successfully completed a certification examination as approved by the trademark owner. Each of the above standards as set out by the trademark owner is available from the trademark owner on request or on the trademark owner's website. The applicant is not engaged in the manufacture, sale, leasing or hiring of goods or the performance of services such as those listed in the application.
